

Certificate of Acceptance

Certificate No: PA05/01751
Effective date: 21 May 04

Issue: 1 Date: 21 May 04
Page 1 of 3

Product: 230 Volt 15 kVA Constant Voltage Transformer

Manufacturer: Advance Galatrek
Advance Park
Wrexham LL14 3YR

Supplier: Chloride Power Protection
George Curl Way, Southampton
Hampshire, SO18 2RY

General Conditions:

The product identified above is accepted for use on the Network Rail infrastructure within the scope of acceptance defined below.

Acceptance of any change to the accepted product is liable to a demonstration that risk arising from the change has been assessed and is negligible. **Corresponding change in product configuration (to the actual product or its application) shall be notified to Network Rail Acceptance Services.**

Any deficiency affecting the product shall be reported in writing to Network Rail Acceptance Services.

Scope of Acceptance:

To be used as part of a UPS system to provide a clean and stable supply.

Specific Conditions:

See page 2 for the product configuration and specific conditions of use.
